RE: Docket # 02-00172 – Petition to Amend Certificate of Convenience and Necessity
to include an area in Williamson County known as Goose Creek

Dear Mr. Gaines:

On-Site Systems, Inc. would like to reduce our service territory in the Goose Creek Area of Williamson County (Docket # 02-00172). The service territory as originally requested and granted included a portion of the City of Thompson's Station (see exhibit A – original territory map). This was an error on our part. We have redrawn the service area to be outside of the corporate limits of Thompson's Station (see exhibit B).

We are requesting that the Goose Creek Service Territory be reduced to that area shown in Exhibit B.

We have no existing customers in the area to be excluded.

I apologize for any inconvenience this error has caused. Should you need anything further, please do not hesitate to contact me.

Sincerely,

Charles Pickney, Jr.
President
